

Fulfilling Your Plastic Machinery Needs

Recycling and Extrusion Equipment

- Complete Recycling Lines
- Post Industrial Recycling
- Post Consumer Recycling
- Continuous and Backflush Melt Filtration
- Edge Trim

STERLING

Material Handling

- Central Vacuum Conveying
- Hopper Loaders
- Compressed Air Loading
- Dust Filtration Systems

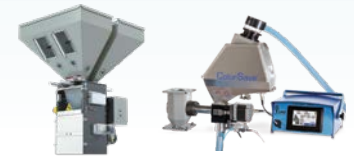

Drying Systems

- Portable Drying Carts
- Central Drying Systems

Blending and Feeding

- Batch Weigh Blenders
- Color Feeders
- Loss-in-Weight Blending
- Loss-In-Weight Feeders

Metal Separation

- Drawer Magnets
- Metal Detectors
- Granulator Feed Systems
- Eddy Current Systems

Process Cooling

- Central Chillers
- Portable Chillers
- Pump Tanks
- Winter Coolers
- Cooling Tower Systems
- Hot Oil and Water Temperature Control

Storage Solutions

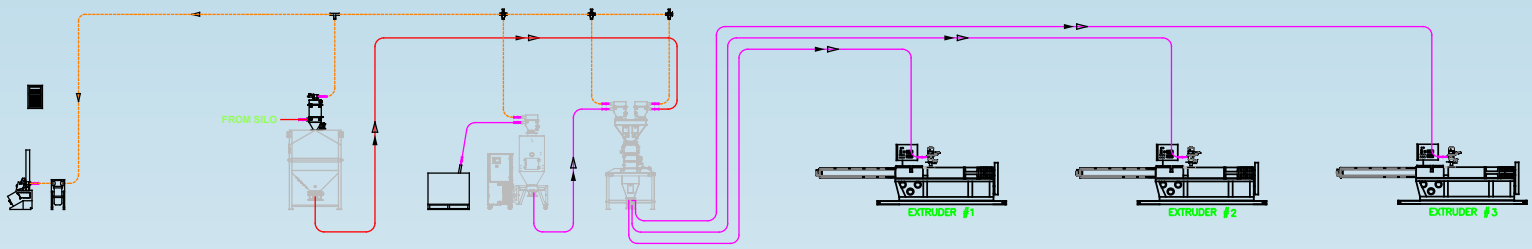

- Storage Bins
- Bulk Silo Storage
- Dumpers and Tipplers
- Bulk Bag Load/Unload Systems
- Custom Turnkey Solutions

Size Reduction

- Central Granulators
- Shredders
- Beside the Press Granulators
- Low RPM Screenless Granulators

System Components and Consumables

- Water Manifolds
- Electronic and Mechanical Flowmeters
- SWAP® Valves
- Ejector Tie-In Systems FasTie®

- Full Flow Filters
- Sidestream Filters
- Self Cleaning Backflush Systems

H-P Products

- Material Handling Supplies
- Tubing in:
 - Aluminum
 - Carbon Steel
 - Stainless Steel
- Tube bends
- Adapters
- Fittings
- Couplers

- AirWash Dust Separator
- MultiAir Blower
- Rotary Air Locks
- OK Piping

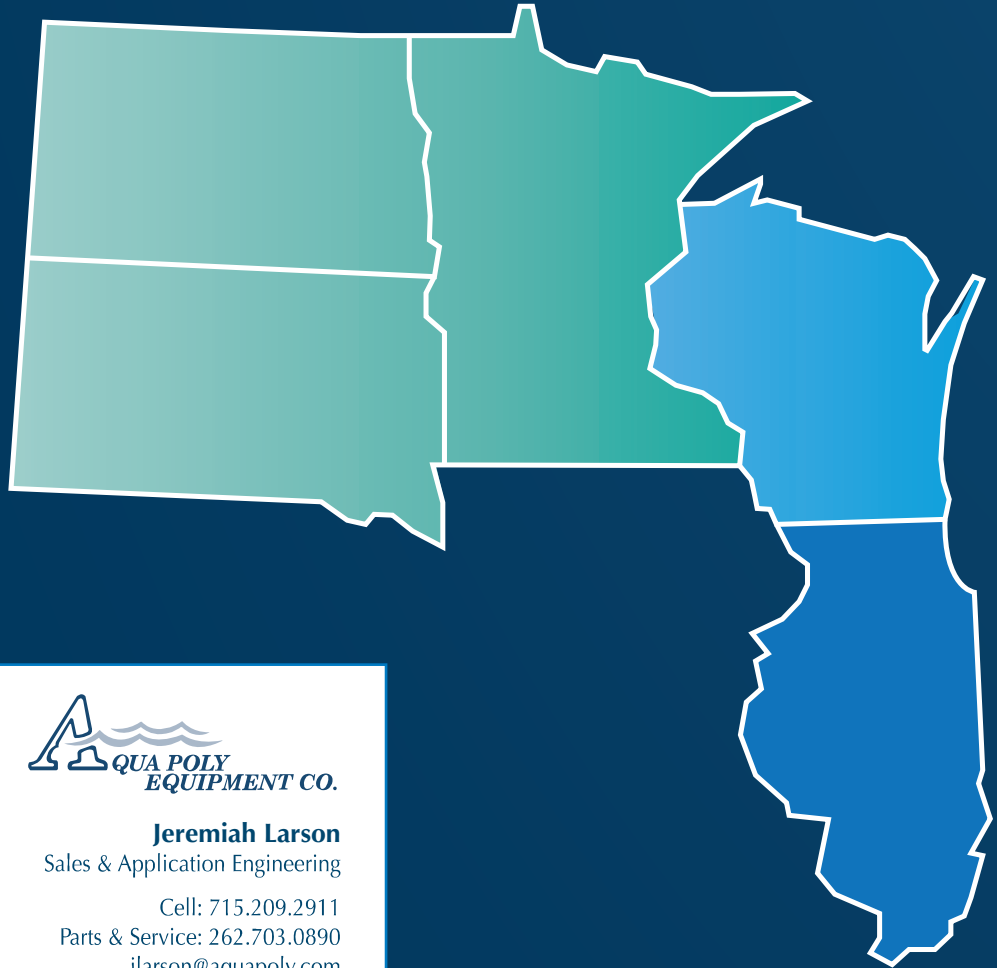

- TigerFlex Brand Flexhose for most applications
- Metallflex Hose for Railcar Unloading Systems
- Welded Custom Hoses
- Hot Circulating Oil Hoses with Silicone Fire Sleeve

- Solids and Bulk Handling Components
- Slide Gates
- Diverter Valves
- Iris Valves

Supplying Equipment for the Plastics Manufacturing Industry for over 45 years.
